# The power to light your creativity

## Philips Platinum lamps

The Philips range of Platinum lamps provide powerful, compact and brilliantly intense lighting for every entertainment event. The very short arc produces a sparkling, bright light that eliminates shadows and reproduces

brilliant, vivid colors perfectly. The system is so compact and lightweight you can use it anywhere. More design possibilities, more light output and less energy consumption.

For an experience so intense it could turn a street performer into a pop star, let Platinum light your creativity. Check our website: [www.philips.com/lighting/entertainment](http://www.philips.com/lighting/entertainment)
